

LEGISLATIVE ASSEMBLY
ALBERTA

December 14, 2023

To Whom It May Concern:

I am writing in support of the Horn Youth Services Foundation-KULAN (HYSF-KULAN) in their application to the Canadian Race Relations Foundation Project Grants Program.

In my time as an MLA, I've seen KULAN demonstrate their ability to deliver a wide range of supports for members of their community including youth employment and training programs, mentoring, social services, parental support programs, tutoring and homework help, and settlement assistance.

So I have confidence in their ability to launch and coordinate their Intercultural Antiracism Exchange Project to help bridge the divide between the East African immigrant community and local residents in Edmonton. Through dialogues and community conversations rooted in cultural and racial experiences, KULAN will create inclusive spaces that promote and foster cultural and historical understanding and sensitivity.

This is important work, particularly at a time when we are seeing a rise in intolerance and voices of hatred across communities. And I believe it would be a benefit for our diverse communities in Edmonton-City Centre.

It's my hope that you'll agree and support KULAN in this application. If you have any questions, please feel free to contact me at 780-414-0743.

Sincerely,
