Message from the Director

It is with immense pride and gratitude that I present the inaugural Annual Report for Sahan Heritage Foundation. Our first year — 2025 — has exceeded every expectation, and I am humbled by the overwhelming response from our community.

From the very beginning, the energy and enthusiasm surrounding our launch set the tone for what has been a truly remarkable year. The turnout at our events was beyond anything we had anticipated, and the encouraging feedback we received from families and participants has only deepened our commitment to this work. Knowing that what we are building resonates so strongly with the people we serve is the greatest motivation we could ask for.

None of this would have been possible without the generosity of our dedicated volunteers, who gave their time and energy wholeheartedly, and the local businesses that stepped up to sponsor our events. Their belief in our mission meant everything, especially in this foundational year.

With a focus on families and children at the heart of everything we do, we are laying the groundwork for programs and initiatives that will grow with our community for years to come.

As we look ahead, we carry with us the momentum, the lessons, and the connections built in 2025 — and we remain deeply committed to preserving heritage, strengthening families, and uplifting the next generation.

Thank you for being part of this journey.

Abdi Obsiye

Director

Sahan Heritage Foundation

Who We Are

Sahan Heritage Foundation is a Calgary-based non-profit dedicated to bridging the gap between heritage and the modern Canadian experience. We serve as a vital support system for families and children, providing the resources and community connection needed to flourish while staying rooted in our rich cultural identity.

Our Mission

To promote social and economic well-being by empowering families through education, heritage preservation, and community-driven support.

Our Vision

A thriving community where every individual is empowered, heritage is celebrated, and families have the foundation to succeed for generations.

Core Values

- Heritage: Honoring our roots as a source of strength.
- Family: Centering our programs on the needs of parents and children.
- Service: Committing ourselves to the betterment of Calgary.
- Integrity: Operating with transparency in everything we do.

Financial Stewardship

Our 2025 fiscal year was powered by "pay-what-you-can" community donations and local support, ensuring that 100% of our revenue went directly into community building initiatives.

Description	Amount (CAD)
Total Revenue (Community Donations)	\$4,683.00
Total Expenditures (Programs & Logistics)	(\$3,827.00)
Net Surplus (Cash Position)	\$856.00

Financial Position

As of February 2026, the Foundation maintains a debt free status with a net asset position of **\$856.00**. This surplus will be reinvested into our 2026 digital equity and newcomer mentorship programs.

2025 Community Impact & Highlights

This year, we provided direct, hands-on support to more than 310 newcomers. Our workshops focused on the essential "first steps" in Canada: crafting professional resumes, mastering job search strategies, and navigating the local labor market. We are proud to have successfully assisted many of these individuals in securing their first jobs in Calgary.

Last August, we gathered at Edworthy Park to welcome over 270 Black newcomers to the city. By creating a space to meet and socialize, we are tackling the isolation of relocation head-on and helping foundational friendships flourish.

2025 Community Impact & Highlights

On December 26th, we hosted a special holiday celebration attended by **192** people, specifically welcoming families who recently arrived in the city. By providing a festive and inclusive atmosphere, we ensured that no family felt isolated during their first winter season in Canada. This event was dedicated to creating joy and a profound sense of belonging, helping our newest residents feel truly at home in their new community.

On March 21st, we hosted a vibrant Cultural Night attended by **237** participants. Specifically designed for youth from diverse backgrounds, this event served as a powerful celebration of our community's shared roots. By honoring our traditions, we ensured that our heritage remains a profound source of pride and identity for the next generation.

2025 Community Impact & Highlights

In 2025, we launched our Hardware Distribution Initiative to champion digital equity and ensure that a lack of equipment never hinders a student's educational progress or a parent's career advancement. In our inaugural year, we successfully distributed 20 high-quality desktops and laptops to families in need across Calgary, removing the primary barrier to digital participation

Beyond simply handing out hardware, our structured logistical framework ensures each device is fully equipped with necessary software and ready for immediate use, empowering families to confidently navigate online learning, employment opportunities, and essential digital services

Looking Ahead: 2026 Goals

In 2026, we will scale our impact by distributing 40 refurbished devices to Calgary families and transition to a structured 15 member committee to ensure professional oversight and long-term stability. We are also expanding our reach beyond basic job preparation to offer advanced career mentorship and digital literacy training, while growing our cultural gatherings to foster a deeper sense of belonging for all residents. As we reflect on a foundational year of bridging the gap between heritage and opportunity, we remain committed to empowering families and thank our supporters for helping us build a stronger future for our community.

Conclusion

2025 was a year of bridging the gap between heritage and opportunity. From providing critical hardware to hosting vibrant celebrations, our work is driven by a commitment to empowering families. We are grateful to our supporters and look forward to building an even stronger foundation for Calgary in 2026.
