## 2. The Project

---

**"The Welcome Table"** — a festive holiday-season dinner where newcomer families, guided by Sahan volunteers, cook and serve a halal dinner for ~70 Calgary seniors who would otherwise spend the season alone. Newcomer youth serve tables; every place setting has a small gift and a printed welcome card connecting guests to community resources (211, library, settlement agencies, Sahan). Pay-it-forward tickets (\$10 subsidized / \$25 community) — nobody turned away.

**Board approval:** Resolution passed 5/5 — board is pro-integration with Canadian values.

**The story in one line:** Newcomers give back to their new country in its season of generosity — integration through contribution, not just adaptation.

*Ticket revenue (if any) is a buffer or seed for the next event — not part of the grant ask.*

## Practical Notes

- Dec 26 = Boxing Day — book the halal caterer EARLY (holiday closures/premiums); confirm NICC kitchen access with Jayesh; confirm volunteer availability for that date.
- Recruit seniors via partners: seniors' centres, Meals on Wheels, nearby community associations.
- Framing: *"the day after the celebrations, when the quiet hits hardest — we set the table"*.

| "Your organization's idea or need (a few sentences)" — paste exactly: | This December, in the season when loneliness hits hardest, Sahan Heritage Foundation will host "The Welcome Table" — a festive holiday-season halal dinner cooked and served by newcomer families for around 70 Calgary seniors who might otherwise spend the season alone. The \$1,000 covers the catered meal, dessert, small table gifts, and printed welcome cards connecting guests to community resources like 211. Our venue is donated and every worker is a volunteer. The impact runs both ways: isolated seniors get warmth and company, and newcomer families get the pride of giving back to their new country in its season of generosity. |

## 4. Awards Night — 30-Second Introduction

*"I'm Abdi from Sahan Heritage Foundation — we're a newcomer-serving society in Calgary. This December 26, our newcomer families are cooking and serving a halal holiday dinner for 70 Calgary seniors who'd otherwise spend the season alone. Newcomers giving back to their new country in its season of generosity. That's what we applied for — and we'd love to meet anyone who wants to be part of it."*

## 6. Fallback if we don't win the draw

The dinner still happens: ticket revenue + a small Servus Feel Good Fund or Ward Community Event Fund request can cover ~\$1,000. The event's strategic value (a proven pilot before the Good Places decision in mid-December) exists with or without the grant.
