The Honourable Amanpreet Singh Gill, M.P.
Member of Parliament for Calgary Skyview

8220-2060 Symons Valley Pky NW
Calgary, Alberta T3P 0M9

**Subject: Request for Letter of Support Sahan Senior Sharing & Caring
Project (New Horizons for Seniors Program)**

Dear Mr. Gill,

I am writing on behalf of the Sahan Heritage Foundation, a Calgary based non-profit serving newcomer families and seniors in your riding. We are applying to the federal New Horizons for Seniors Program (NHSP) for \$25,000 to deliver a 12 month community initiative the Sahan Senior Sharing & Caring Project that will support up to 75 newcomer older adults in northeast Calgary, with a focus on seniors from East African and Middle Eastern communities. A signed letter of support from a community leader is a mandatory requirement of the NHSP application, and we would be deeply honoured to receive one from your office.

Thank you for your time and your continued service to the families of Calgary Skyview. We would welcome the opportunity to meet you, your staff, or visit your constituency office to discuss this further.

Abdi Obsiye
Director

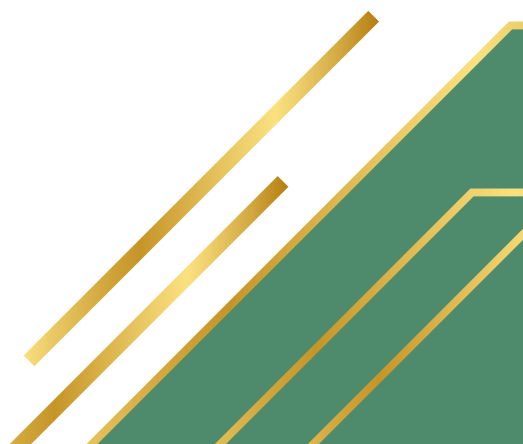

About Sahan Heritage Foundation

Sahan Heritage Foundation is a registered Alberta non-profit (incorporated April 2025, Alberta Corporate Access Number 5027066496) dedicated to empowering newcomer families and preserving cultural heritage. In our first year, we directly served more than 1,000 newcomers across Calgary:

- **310 newcomers** supported through job readiness workshops (resume building, job search, navigating the Alberta labour market) many secured their first Canadian jobs through this support
- **270 Black newcomers** welcomed at our Edworthy Park gathering in August 2025
- **237 youth** celebrated at our Cultural Night in March 2025
- **192 attendees** at our December 2025 holiday celebration for recently arrived families
- **Desktops and laptops** distributed to families through our Digital Equity Hardware Initiative

About the Sahan Senior Sharing & Caring Project

The project responds to challenges that newcomer seniors in northeast Calgary face every day: social isolation, language barriers, limited access to trusted information, and a widening gap between elders and younger generations. Over 12 months, the project will deliver approximately 30 days of programming, including:

- 6 nutrition and cooking classes focused on healthy aging
 - 4 to 6 community meals reaching seniors at risk of isolation
 - 3 fall-prevention and home-safety workshops
 - 3 elder-abuse and fraud-awareness sessions delivered in Somali, Arabic, and English
 - 8 intergenerational sessions pairing seniors with newcomer youth
 - Plain-language printed materials in Somali, Arabic, and English on available supports
 - A closing community celebration
- 

Why This Program Matters

Calgary Skyview is home to one of Canada's most diverse newcomer populations. Many of our older residents arrived in Canada later in life, after raising families and building communities back home. They carry profound knowledge, culture, and resilience but they are also at heightened risk of isolation, financial fraud, and preventable health decline because critical information rarely reaches them in a language or format they can use. This project meets that gap. It keeps seniors connected to their families, their community, and the supports they are entitled to as Canadians.

Our Request

We respectfully ask whether your office would be willing to provide a signed letter of support for our NHSP application. The letter would need to be:

- Signed on your office letterhead
- Approximately one page in length, confirming your support of such program

We would be pleased to provide a template, supporting materials, or a brief meeting with our team at your convenience to make this as easy as possible for your staff.

An Invitation

Should this project be funded, we would be honoured to invite you, Mr. Gill, to officially open the program at our launch event. Many of the seniors we serve are your constituents and would deeply appreciate the opportunity to meet their Member of Parliament and share their stories with you.
